

# Parish Hall Hire Information

The Hall is available for use by individuals and groups for functions that sit well within the Catholic ethos. It is a large hall (396m<sup>2</sup>) with a stage and is able to accommodate up to 300 people (dependent on the style of event planned). Tables and chairs are onsite.

**Tables: 21 x 8-seat (750x1800mm) and 14 x 10-seat (750x2100mm). Chairs: approx. 350.**

The commercial kitchen setup includes stainless steel benches, fridges (2), gas cooktop (6) and oven (90cm), dishwasher, urn and microwave. *(Please note – if any available crockery/cutlery/glassware is used it is the responsibility of the hiree to clean all items back to reusable standard).*

The hall has air-con, stage, A/V system (audio, video with built in screen above stage and a microphone). Fairy lights are installed through the ceiling.

## Facilities:

- Large, industrial carpeted Hall with tables and chairs (see above for numbers) (decorations need to be table or floor based and cannot be attached to walls/ceiling). Tables are sturdy but aged and we **strongly recommend** you bring table covers.
- Commercial Fridges will be operating for your cold items/drinks.
- Urn, Microwave, Servery counter
- Toilets – Ladies (3), Men (2) + urinal.
- A/V system (speech, music and powerpoint capability – adapters required for iphone or laptop)
- Stage Lights
- Parking – 36 regular, 2 x Disabled, 2 x 20 min service (can be used for private functions)

## Cleaning Fee:

The Hall is professionally cleaned weekly. There are basic cleaning items available for “general” cleaning after a function (vacuum, bench wipes, mop). If the Hall is in a state that requires more than its “normal weekly clean” (ie if food has been walked into the carpets) after your function a separate cleaning fee will be taken from your bond. This amount will depend on the amount of work required. This decision is at the discretion of the parish. It is the hirer’s responsibility to tidy after use and remove rubbish into the bins provided. We can only provide **1 x general refuse bin**, **1 x recycling** and **1 x 10c drink bottle bins**. Anything more than this needs to be removed by the Hirer.
